Attention: Mr. John Whitehead

Dear Mr. Whitehead:

Subject: Clarification - Mining and Reclamation Permit
Application, Little Mountain Quarry, Tooele County,
Utah

In regard to your phone call yesterday concerning clarifications for Map # 2 of our submittal, the total estimated disturbed area is approximately 20.4 acres. This is based upon the topsoil storage area, the stockpile and service area, the quarried areas and the total of the three (3) haul road turnouts that will be reclaimed. We have taken the liberty to make a minor revision to the maps to denote the above. Two revisions are included for your files.

If you have further questions, please don't hesitate to call.

Very truly yours,

W. V. Bluck
Director, Mining and Process Engineering
